School Accountability Grade Components

Mississippi's accountability system assigns "A" through "F" letter grades for schools and districts. Grades are based on student achievement, student growth, student participation in testing, and other academic measures. COVID - 19 pandemic disruptions continue to be reflected in 2021 - 2022 accountability data, particularly growth data.

Math

Measurements of student performance on the statewide math assessment.

English

State

Measurements of student performance on the statewide English language arts (ELA) assessment.

US History Proficiency

47.8%

Other Measures

Other measurements of student performance that factor into the accountability grade.
