School Accountability Grade Components

Mississippi's accountability system assigns "A" through "F" letter grades for schools and districts. Grades are based on student achievement, student growth, student participation in testing, and other academic measures.

The COVID-19 pandemic disrupted many facets of education, including instruction, assessment, and student attendance during the 2020-2021 school year. These disruptions may have influenced a student's opportunity to learn, motivation and/or assessment administration conditions. Results presented should not be considered comparable to prior years. There are no new A-F letter grades for districts and schools because assessments were not administered in 2019-2020 and growth could not be calculated.
