### School Accountability Grade Components

Mississippi's accountability system assigns "A" through "F" letter grades for schools and districts. Grades are based on student achievement, student growth, student participation in testing, and other academic measures. COVID-19 pandemic disruptions continue to be reflected in 2021-2022 accountability data, particularly growth data. Growth calculations for some high school students required measuring growth from the 2018-2019 school year, and overall student performance on assessments improved since the first full year of pandemic-era schooling in 2020-2021. Additionally, students did not have to pass end-of-course high school assessments in 2020-2021, which affected the 2021-22 graduation rate.
